

A man and a woman are featured in a studio setting. The man, on the left, is wearing a bright cyan hoodie and looking towards the camera with a neutral expression. The woman, on the right, is wearing a light sage green hoodie and looking slightly off-camera. The background is a simple, light-colored wall.

The Kariban Organic collection brings together sustainable essentials designed to support your personalisation projects.

This season, the collection expands with new styles and colours, as well as a selection of items made from in-conversion (IC) organic cotton. This cotton comes from farms transitioning to certified organic agriculture, contributing to a more respectful production model.

Each piece is made from certified materials, with particular attention paid to fabric quality, detailing, and durability.

Kariban Organic: sustainable essentials designed to meet the needs of textile and decoration professionals.
